To provide a full programme of club/open racing, and safety cover for informal Saturday sailing, we need each member to do race/safety team duty on a minimum of four dates during the year. Wherever possible we have taken individual preferences on berthing forms into account. The club can only provide a full and successful programme if everyone does their share. Although sailing duties are voluntary, other members depend on you turning up and doing your share. If you are unable to attend on one of your scheduled dates, please find another member you can swap with.
